

as well as capacitate the VET (Vocational Education and Training) professionals who work with them.

PROJECT NUMBER 2021-1-CZ01-KA220-VET-000024882

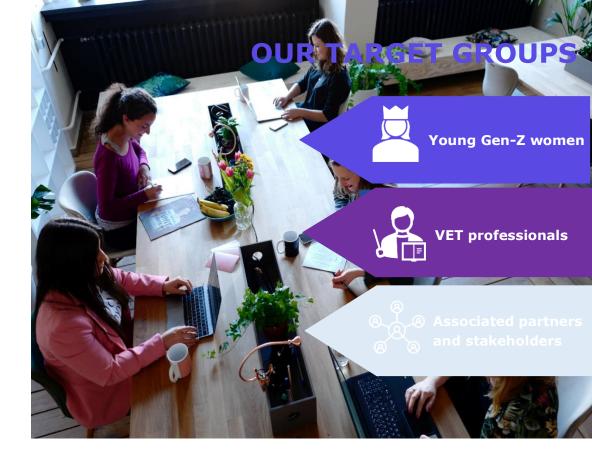

OUR ACTIVITIES

Production of a **collection of inspirational stories**, representing role-models and giving real-world examples of Gen-Z female digital entrepreneurs and the work they do

Development of a bespoke **learning journey**, made of booklets for Gen-Z women and guidelines and tips for VET professionals/mentors, focused on the essentials of digital entrepreneurship and digital business development

Creation of an **online hub and toolkit** that presents the inspirational stories and learning journey in a comprehensive, engaging, interactive and open-access way

Engagement of associated partners and stakeholders through **dissemination and scouting actions** to deploy DIGITAL Z-WOMEN, including the organisation of a final conference
